

St. Patrick's Day 5K Sponsorship Opportunities Summary

Santa Rosa Recreation & Parks is a longtime leader in providing high quality events and recreation programs for Santa Rosa families. Our programs increase health and fitness, provide a positive social outlet and improve quality of life. The St. Patrick's Day 5K is a popular family event, attracting over 1,000 participants and providing the community with a unique, fitness-oriented way to celebrate the Irish holiday. 100% of event proceeds go to the Recreation & Parks Scholarship Fund—sending children to camp and teaching them to swim!

Sponsors of the St. Patrick's Day 5K play an essential role in creating a memorable experience for participants, while bolstering event fundraising. Monetary sponsorships and in-kind contributions of race snacks, beverages, marketing and printing needs, or other supplies for the 5K event are welcome. For in-kind contributions, sponsorship level is determined by the value of the donation. Thank you very much for your thoughtful consideration.

VENDOR SPONSOR at \$250 and above*

- Booth at post-race celebration: provide promotional materials along with healthy snacks and/or post-race activity for participants

*Monetary sponsorship only, no in-kind sponsorship at this level.
