#	RESPONSES	
1	Thanks for asking. We, the neighbors & I, feel our road DID NOT need paving. If anything it has encouraged more speeding on our already busy and fast road. We refer to it as "Montgomery Raceway" instead of Montgomery Dr. Has anyone at the City been to Irwin Lane lately? Thanks for repaving Mountain View Rd, which needed it badly. (submitted via postcard)	
2	Our road section was in very good shape. They should have done Montgomery Dr. near Montgomery Village and Yulupa. (submitted via postcard)	
3	Paving was unnecessary, and entry to our driveway was difficult. No help was provided. Forced to drive on wet asphalt! (submitted via postcard)	
4	When are you going to install a left turn signal at Farmers Lane and Hoen Avenue. (submitted via postcard)	
5	You did not complete the road improvement to extend from Jackson to Mission Blvd. (submitted via postcard)	
6	BV road is now very lively - well paved. (submitted via postcard)	
7	Construction crew parked in private parking area, once told, they cooperated. Very pleasant! (submitted via postcard)
