Santa Rosa City Council

Re: Combining community of interest neighborhoods

Dear Mayor, Vice-Mayor, and Councilmembers:

We write to provide our recommendations on which City of Santa Rosa neighborhoods should be combined to create a district.

Roseland, Westside, Southwest, Southeast, and South Park:

We believe that Roseland, Westside, Southwest, Southeast, and South Park share similar interests not only in their close geographical proximity but also social, economic and cultural interests. These neighborhoods, because of their high populations may need to be separated to create two separate districts.

Northwest (Coffee Park) and West Central (West of Stony Point):

We believe the Northwest (Coffee Park) and West Central (West of Stony Point) share communities of interest in geographic, social, and economic interests.

Downtown, Julliard Park, Memorial Hospital, Montgomery Village and Junior College:

We believe that Downtown, Julliard Park, Memorial Hospital, Montgomery Village and Junior College share communities of interest in their close proximity, social, and economic interests. These neighborhoods, because of their high populations may also need to be separated to create two separate districts.

Alta Vista, Fountain Grove, Sky Hawk, and Rincon Valley:

We believe that Alta Vista, Fountain Grove, Sky Hawk, and Rincon Valley share communities of interests in their close proximity, social, and economic interests.

Bennett Valley, Oakmont, Fairgrounds and Annadel Heights:

Finally, we believe that Bennett Valley, Oakmont, the Fairgrounds and Annadel Heights share communities of interests in their close proximity, social, and economic interests.

Thank you for your time and consideration.

Very truly yours,
