

Coffey Park - PG&E Utility Replacement Work

Phases of Work

- 1st Phase Begins 4/2/2018
- 2nd Phase
- 3rd Phase
- 4th Phase
- 5th Phase

Work phases will be initiated sequentially during April and May 2018, PG&E anticipates completion of all work phases by year-end 2018.

Work includes replacement of joint utility trenches and gas mains at various locations. Once completed all temporary overhead transmission lines/power poles will be removed.

PG&E Hotline for any questions related to this project: (415) 973-5930
