

FY 2008 Measure O Mini-Grant Awards

	Agency	Amount	Description
1	Casa Calmecac	\$1,000	<p>The mural project will be a tribute to those who have lost their lives as a result of gang violence and will include youth working side-by-side with spiritual leaders under the guidance and direction of local artist Dan Lopez.</p> <p>Your plan to offer the mural to various community groups and organizations for public display to call attention to our community's gang prevention efforts will contribute to our goal to increase community awareness about gang prevention efforts.</p>
2	MANA de Sonoma County	\$5,000	<p>While MANA serves Latina youth throughout Sonoma County, we are only able to provide Measure O funding for those members who reside or attend school within the Santa Rosa City limits. We are familiar with the Hermanitas mentoring program your chapter has provided for many years in our community. Positive growth and the development of good self-esteem, motivation, and mentoring by successful Latina adults like you are vital to the success of our young girl's ability to overcome the challenges they face during their adolescent years.</p>
	Tengo la Voz, KRCB Radio	\$5,000	<p>The funds will used to partially fund a two-year initiative to give at-risk Latino youth purpose and direction through creative writing, multimedia and visual arts activities. This is a unique approach that promotes positive asset-based community involvement by our youth through a variety of mediums.</p>
