

FY 2007 Measure O Mini-Grant Awards

	Agency	Amount	Description
1	Community Action Partnership	\$5,000	<p>As outlined in your request, the funds will be used to support the <u>Newhall Bike Path Project</u>.</p> <p>This project is a good example of our community-wide gang prevention and intervention efforts that resulted in our community's designation this year as an All-America City. The Newhall Bike Path has been a longstanding neighborhood issues that greatly impacts the quality of life for neighbors in and around the South Park area. This collaboration with other organizations, the City, and area residents is a positive step toward reclaiming this vital neighborhood connector. Most impressive is the involvement of youth in creating and implementing the design for these beautiful murals.</p>
2	The Imagine Bus Project	\$5,000	The Imagine Bus Project helps break the isolation many inner-city children face by using art and creative expression to connect them to the world. The Project keeps kids off the streets, helps build their self-esteem, makes them better students, and contributes to healthier families in more creative communities.
3	LifeWorks	\$5,000	The funds will be used to support the <u>Kids In Community Conference</u> , September 8, 2007.
4	LifeWorks	\$5,000	<p>As outlined in your request, the funds will be used to support the <u>Kids in Community Conference</u>, scheduled for September 8, 2007.</p> <p>This conference is a good example of our community-wide gang prevention and intervention efforts. Please express our gratitude to your committee for taking the lead in coordinating this vital project. Our Neighborhood Services staff is looking forward to attending this conference and to promoting it to the families that we serve in our programs.
