

## TAKE ACTION NOW!

Know your evacuation zone and all of the ways out of your neighborhood. Look it up on [srcity.org/knowyourwaysout](http://srcity.org/knowyourwaysout)

## KNOW ALL OF YOUR WAYS OUT

When disaster strikes, residents may be asked to evacuate their homes. The safest route out of your neighborhood may not be the typical route you would take. Know all the ways out and listen for instructions from emergency personnel on which way to go when asked to evacuate.

Learn your routes at [srcity.org/knowyourwaysout](http://srcity.org/knowyourwaysout).

COVID-19 means you need to prepare for an emergency differently. Check out the new COVID-19 tips in green.

## SUBSCRIBE TO SOCOALERT

Register for emergency notifications at [socoalert.com](http://socoalert.com) to receive evacuation notices by phone call, text, and/or email. Evacuation notices sent through SoCoAlert will use the following terminology:

### Evacuation Order:

You must evacuate immediately due to imminent threat to life.

### Evacuation Warning:

There is potential threat to life and property within a given timeframe. Begin preparing yourself, your animals, and your property for a potential evacuation order.

### Shelter-In-Place:

Stay secure at your current location. This may be required when evacuation is impossible, too dangerous, or unnecessary.

## HEAR THE HI/LO, TIME TO GO!

Depending on the emergency, the City's ability to reach you via traditional alert and warning tools may be limited. Santa Rosa police and fire department vehicles are outfitted with Hi/Lo sirens. These European-style, two-tone sirens make a different sound than traditional sirens and will only be used in an emergency to alert residents within specific areas to evacuate. If you hear the Hi/Lo, it's time to go.

Listen to the Hi/Lo siren by scanning this QR code (right) with the camera on your mobile device.

## PREPARE HOUSEHOLD AHEAD OF TIME

Update your "Go Bag" with COVID-19 necessities, like face coverings and sanitation supplies

In certain emergencies, you may need to manually open your garage door, shut off your gas, or take other important actions. Prepare now at [srcity.org/readytoevacuate](http://srcity.org/readytoevacuate)

## KEEP EVACUATION CHECKLIST VISIBLE

You may have a few hours to prepare, other circumstances may require an immediate evacuation. If time allows, there are important steps you can take to better prepare yourself and your property before you leave.

Keep this checklist of pre-evacuation steps visible — near your front door, on the refrigerator, or next to the garage door opener — and follow the checklist (back of page) when time allows
