Independent Citizens’ Oversight Committee and Annual Audit

The Board of Supervisors shall establish a citizens’ oversight committee to provide transparency and ensure fiscal accountability. The committee shall review the receipt and expenditures of the revenue from the transactions and use tax, including the County’s annual independent audit. The committee’s review shall be completed in conjunction with the County’s budget process. The committee shall produce an annual oral or written report on its review which shall be considered by the Board at a public meeting. The committee may provide budget recommendations to the Board and City Councils regarding expenditures from the transactions and use tax. Any written report shall be a public record. The Board shall adopt a resolution regarding the appointment of seven committee members, and any additional duties of the committee. A minimum of two of Committee members will be selected from list of names submitted by the Mayors of Sonoma County Cities, provided such suggested names are submitted. In the absence of one or both names from City Mayors the Sonoma County Parks Advisory Commission Chair and Vice Chair will serve on the Oversight Committee. Each Board of Supervisor Member will appoint one person to serve on the Citizen’s Oversight Committee. Committee members will serve a three year term and are eligible to be reappointed to one additional three year term.

The funds collected from the transactions and use tax ordinance shall be accounted for and tracked by the County Auditor-Controller Treasurer-Tax Collector in four separate funds to facilitate citizen oversight.

The amount generated by this revenue source and how it was used shall be included in the annual audit of the County's financial operations by an independent certified public accountant, which the committee shall review.

To preserve the integrity and independence of the oversight process, the committee's responsibilities shall not include decision-making on spending priorities, financing plans or tax rate projections or assumptions and the committee shall have no authority to direct, nor shall it direct, County or City staff or officials.

A onetime change over the 10 year term of this measure can be made to the per capita method of distributing the 33.3% share to cities by agreement of a 2/3rds majority of the City Managers or their designee's from each of the incorporated Sonoma County Cities.

Maintenance of Effort Requirement

The proceeds from this measure should not be used to supplant an agency's historical general fund(s) contribution in support of the operating (non-capital project) cost for providing its park and recreation programs, facilities and services. Other than during times of financial downturn or other unexpected event, General Fund contributions, adjusted for onetime funding, should not be less than allocated for the previous fiscal year. For purposes of this section a financial downturn is defined as a time where total general fund revenues for the county/city have declined by 1% or more when compared to the previous year.

Tax proceed recipients (cities and county) with reductions to General Funded Parks Departments due to financial downturn will not be deemed as in violation of the maintenance of effort requirement provided the actual amount of General Funds provided for operating Parks and Recreation programs, facilities and services is no less than the lowest amount provided over the three fiscal years of 15/16, 16/17 and 17/18 as shown in those three years' Adopted Budgets. Tax proceed recipients as part of their budgeting process shall annually determine the budgeted general fund(s) non-capital contributions, adjusted for onetime funding, for parks and recreation uses.
