

**COMPLIANCE VERIFICATION  
BY GREEN POINT RATER**

---

Permit #: \_\_\_\_\_ Date of Permit Issuance: \_\_\_\_\_

Project Address: \_\_\_\_\_

Project type:       Single Family Residential       Multi-Family Residential

Permit Applicant: \_\_\_\_\_

Designer of project: \_\_\_\_\_

Contractor: \_\_\_\_\_

Green Point Rater: \_\_\_\_\_

.....  
I have inspected and received documentation to verify that the above project meets the intent of the City of Santa Rosa Green Building Program. This project, through periodic inspections and documentation submitted, has accumulated a total of \_\_\_\_ points with the minimum amounts in each category met. This meets or exceeds the minimum of 50 points required for certification as a Green Building by Build It Green. Documentation has been forwarded to Build It Green to process for issuance of the certification. Until the certification is received, I hereby verify this project meets the intent of the City of Santa Rosa Green Building Program for certification as a green building. Upon completion of processing by Build It Green a copy of the certification will be forwarded to the City of Santa Rosa Building Division.
